Dear Sonia and Roberto,

We are writing to you on behalf of the NASUWT – The Teachers Union of the United Kingdom, to express our solidarity with your members in Buenos Aires and Argentina who are going to be taking a day of strike action on the 13th September fighting for safe schools and dignified salaries. We are united with you in your fight in defence of public education.

Please also communicate NASUWT's eternal solidarity to the officers and members of CTERA/SUTEBA. We are ready to give whatever support we can for you and your members during these difficult times. Our thoughts are with you and your members during these days.

Yours,

Chris Keates
